WHOLESALE PRICE LIST

FALL 1953

JOPPA, ALABAMA

NOTE OF APPRECIATION

It has been our privilege to add many new customers to our list, and we are pleased to say that we have received duplicate and, in many instances, repeat orders from folks who recently started buying from us, as well as from those who have been purchasing our nursery products for years. To each of you we express our sincerest appreciation and trust that our efforts to give you quality plants, trees, and shrubs will merit your continued patronage and good will.

TERMS

Unless cash accompanies an order the shipment will be made C.O.D. We cannot afford to carry on an extensive credit business over all the Southern States, and, as you know, it is less expensive to you if the plants are not sent C. O. D.

Plants are packed by us and billed F. O. B. with Certificate of Inspection, from our shipping point.

Shipments travel at cost and risk of the purchaser and claims for any cause must be made on receipt of goods.

If any nursery stock proves untrue to description under which it is sold we shall be liable to the purchaser only to the extent of amount of the purchase price of such nursery stock, and we, except to such aforesaid agreed liability, give no warranty expressed or implied, as to description, ability, productiveness or any other matter.

We guarantee the life of NO plant.

B. — B. Plants Boxed At Cost

No C.O.D. Shipments made to unknown parties.

This Price List Cancels All Previous

Price Lists Issued By Us.

We have owned and operated this Nursery for 33 years. The same people come back every year and want more of our Fruit Trees which are machine dug. Our Plants must be good.
